

Welcome to our Summer Newsletter!

Since our last newsletter, there has been so much that we have enjoyed at Northcourt.

We have arranged external entertainers and activities for our residents including G- fitness and Coral who support our residents with simple, safe and fun movements for the joints. We hope you enjoy the photos of our activities.

We had a lovely summer party on the 26th of July with Natasha sing al long and lots of snacks and food including the BBQ. The weather was good with mild temperatures. Thank you to everyone who came along to support the event and to our staff who work so hard to make these events happen.

The Home continues to undergo a programme of refurbishment including the bedrooms, dining room, front entrance door, staff and visitors toilet and the corridors, to give the home a welcoming fresh new look. It's very exciting to see the new building progressing well and on track for next Spring.

I once again thank you for the support that you as a family gives to us and for taking the time to review us on Carehome.co.uk. It really is much appreciated.
